

Citizen Air Commandos,

Most of you have heard by now that we postponed the 50th Anniversary celebration that was scheduled for this winter. We made this difficult decision in order to ensure the health and safety of everyone during the ongoing pandemic. Despite the delay, the 50th Anniversary Committee is continuing to plan and organize events to appropriately honor this milestone.

Though I am disappointed we could not come together and celebrate during the November Unit Training Assembly, the additional time has given us an opportunity to find more funding to create an even better event for our Airmen, families, and past 919th SOW alumni to celebrate our 50 year journey.

We are unable to set a specific date at this time due to the dynamic environment dealing with the global pandemic. The safety and wellbeing of our Airmen and families are my top priority. As we enter 2022, I hope to provide you all with good news and dates for the celebration.

Thank you all for your flexibility, patience, and continued dedication to the wing.

Colonel Grandy
